DAISY

“Daisy,” a 16-month-old Maltipoo, is the mascot and greeter at Carriage Trade Properties. She naturally grew into her position from day one, when owner Elaine Russell began taking her to work. “Daisy was 1.5 pounds when I got her at eight weeks old,” said Russell. “She was so tiny I was afraid to leave her home alone, especially since my days were so long.” At seven pounds and now fully grown, “Daisy” has a personality that far outweighs her. The agents at Carriage Trade Properties take pride in being her extended family and the customers that walk in completely fall in love with her.
